**Mendel University in Brno, Czech Republic, Faculty of Business and Economics**

invite to the

**7th International Conference on Management (ICoM\_2017)**

**„MANAGERIAL TRENDS IN THE DEVELOPMENT OF ENTERPRISES IN  
GLOBALIZATION ERA“**

which will take place in Nitra (Slovakia) at the Faculty of Economics and  
Management, SUA

**June 1 – 2, 2017**

**The main attention of the international conference** is devoted to the presentation of the selected problems in enterprise management with regard to the practice and theory in the 21st century. This international conference deals with theory and practice in business management and marketing and can be recommended for the scientists, researchers and the representatives of the business sector. An additional goal the conference is to provide a place for academicians and professionals with interests related to business, planning, organization and human resources issues as well as agribusiness and sustainable development.

All information about the conference will be found at the website of the conference:
